

SIEGEL AUCTION GALLERIES

CENSUS OF 2-CENT PERF 12 X 10 (SCOTT 423B; FORMERLY 425D)

SPECIAL NOTE: There are many United States stamps that look similar to the rarities listed below. Some of the differences between expensive rarities and common stamps can be subtle, including differences in perforation, shade and size. These stamps should have certificates from a recognized expertizing committee, such as The Philatelic Foundation or P.S.E. If you think you have one of these rarities, we cannot help you until after it has such a certificate.
